LAHORE WINS A RICH RACE

THREE HORSES FIGURE IN CLOSE FINISH FOR \$5,000 PRIZE AT LAUREL.

Jockey Butwell's Horsemanship a Great Factor is Outcome-Bounder and The Manager Second and Third-Meeting Ends in Brilliant Fashion.

Baltimore, Md., October 31.—The closing day of the Maryland State Fair meeting at Laurel was a brilliant occasion. In a racing way, the \$5,000 American Grand National Handicap one mile and an eighth, was the outstanding feature. Before the races the prize winners in the live stock and leaves from classes were paraded in front of the stand show classes were paraded in front of the paraded show classes were profited in the show ring. The attendance marked a record for Laurel. The big grand stand was packed long before the horses were called to the post for the opening dash and the overflow made themselves as comfortable as possible on the laws.

Interest naturally centered in the running of the American Grand National Handicap. The big race-brought together the pick of the horses racing in went to the post, the absentes being G. M. Miller and John Beardon. Major McDowell's great three-year-old. The Manager, ruled favorite and he had a host of admirers. The race turnished a stirring contest from the drop of the flag and the winner turned up in James Rowe's Labore, which won by a head from Bounder in a sensational finish, with The Manager third, beaten a neck for second place. Labore's victory was largely due to the splendid fiding of jockey Butwell. He nursed the sulling to run when he took the standard counted the straightened out for the final drive, he had a slight advantage. After disposing of Hilarious and Sir John Johnson, other contenders loomed up, The Manager and Bounder coming from the rear with great bursts of speed. At the sixteenth post it locked like The Manager's race, outs when the final first came the colt faitered and the winner surface and bounder coming from the rear with great bursts of speed. At the sixteenth post it locked like The Manager's race, outs when the final first came the colt faitered and the weight that he conceded to every horse in the race, was a grand performance. In fact, it was pronounced by horse-men as the best race dhis great three-year-old ever two was a fast one from th

roming of the two and a quarter miles race there of ill his engagement at Pintlico in the Bowie Hardicap.

NO SANCTION FOR MARLBORO MEETING.

New York, October 31.—If racing is conducted at Mariboro, Md., this fall, as has been advertised, it will be without the sanction of the Jockey Club. At a meeting of the stewards yesterday, Assistant Secretary Algernon Deingerfield called attention to the fact that a meeting was proposed at Mariboro from November 13 to November 23, and said that the same association had conducted a ten-days meeting in June last under a resolution of the Jockey Club.

This led to the adoption of the following amendment to the previous resolution:
"Resolved, That where races are held under the auspices of a bona fide fair association, in connection with the interests of the fair association itself, and not of a lessee, the Jockey Club will not grant a license, but will not take cognizance of such as being in violation of their rules; provided, however, that no other irregularities come to their attention, and provided the meeting does not continue in any one year for more than five days in the state of New York, and ten days in states other than New York.

"Resolved, That the associations holding race meetings during the year 1912, under a license from the Jockey Club, be warned that any dates granted shall not be construed as extending a meeting for racing, as a state or county fair or horse show."

HERE'S ONE ON AUGUST BELMONT.

New York, October 31.—August Belmont was talking to a group of newspaper men at the United Hunts meeting at the Belmont Park Terminal yesterday afternoon. He was telling them about bis Rock Sand colt, Tracery, winner of the St. Leger in England, and drew from his pocket two pictures of that splendid animal.

The reporters crowded close about Mr. Belmont and several of them were taking notes when suddenly the big county detective who is at the track to look out for oral bettors loomed up and surveyed the group.

dealy the big county detective who is not surveyed to look out for oral bettors loomed up and surveyed the group.

"What's the matter?" asked one of the reporters.

"I'm just watching that bookmaker." replied the sleuth, nodding in the direction of Mr. Belmont.

"If he takes any money—

But the explosion that followed drowned his threat, Belmont put the pictures of Tracery back in his pocket and had more fun with the detective than with the races.

LATONIA PATRONAGE GOOD

ANOTHER BIG CROWD TURNS OUT TO SEE RACING AT KENTUCKY COURSE.

Grover Hughes Carries 126 Pounds to Victory in Overnight Handicap-Countless Narrowly Escapes Defeat by Ella Bryson in Allowance Race.

Cincinnati, O., October 31.—Favorites divided the Latonia card with outsiders this afternoon. Plenty of action was noticeable in all the races and the volume of the betting was again surprisingly large. Threatening weather failed to affect the attendance and the same large crowd that has been patrouizing the sport recently was again on hand.

Grover Hughes, carrying 126 pounds and conceding much weight to his opponents, accounted for the handleap which featured the card, but his success today was considered fluky, as he had an advantage at the start over the others, while Presumption, the one considered as most likely to give him a stout argument, was practically left at the post. With a better break, Royal Tea, which got second place, might have benten him. Grover Hughes was the favorite and his victory was correspondingly popular. The former crack, Countless, had a narrow escape from defeat in the allowance race in which he ruled a prohibitive choice. Ella Bryson, running for the first time in R. F. Carman's interest, forced the favorite out to the last ounce to get the verdiet. Surgege's victory was an easy one, as he simply played with his opposition and finished several lengths in advance of Merrick. Surget was one of the successful favorites.

A long-priced winner scored at the beginning of the days proceedings when Ardelon, under C. Turner's vigorous riding, took the opening purse, with Terrible Bill second and the favorite, chilton King, third. After the finish, C. Bills, owners of Chilton King, chained Terrible Bill for \$\$60.

A big upset attended the running of the closing dash, when Coush Puss, bractically neglected, won in handy fashion, with another long shot, Sister Florence, in second place. Effendi was third, just beating John Louis, the favorite.

Beau Brummel was excused from starting in the closing dash because of having run away five miles in his preliminary before the race.

The Royal Prince bled in the closing race and J. H. Barr probably terminated his racing career when he broke down in

and will be ridden by J. Loftus. Star Charter won and beat Governor Gray in this race last year.

J. Hochrein today sold Irish Gentieman to J. H. Deavenport.

J. W. May sold Sea Cliff to Henry McDaniel and the horse was shipped last hight to Sait Lake City, where he will be raced until the close of that meeting.

There was considerable disappointment here over the failure of High Private to start in the \$5,000 Grand National Handicap at Laurel today. The horse will be shipped back here at once.

Jenny Geddes and Vreeland were shipped today to J. B. Respess' farm to be turned out for the winter. Entry blanks for the twenty stakes to be run at Charleston during the sixty-one days of racing beginning January 25 were distributed among the horsemen this afternoon.

Walter O. Parmer, who was among today's visitors, started tonight for his home at Nashville.

Duncraggan and Sly Lad, owned by Mrs. P. Brannigan, arrived at the track today.

Secretary Maginn announced the weights this afternoon for the Kentucky Stakes, \$1,000 added, one mile and seventy yards, to be run Saturday:

WILL ENFORCE LAW AT THE RACETRACK.

Governor Marshall of Indiana was in Chicago yesterday and, being asked his views of the recent extraordinary occurrences at the racetrack of the Mineral Springs Jockey Club, is reported to have

extraordinary occurrences at the racetrack of the Mineral Springs Jockey Club, is reported to have said:

"I am not at all familiar with the situation, having been out of the state for some time. However, I will take up the matter upon arrival home. I do want to say this: I have no malice in the matter and have acted and will act in accordance with the opinion of the attorney-general of the state.

"The matter is in the hands of the attorney-general. If the attorney-general's opinion holds that there must be no racing Saturday, or any other day, I will use the means at my disposal to see that the law is enforced."

This is all fair enough and moderate enough. It is to be hoped that in the course of his investigation of the matter the governor will, among other things, consider whether it is good public morals to yiolate and trample upon one law of his state in order to enforce another. That is precisely what occurred at the Mineral Springs track. The racing there was carried on under the provision of the Seller law and that particular statute has as much force and dignity as that other statute which makes public professional betting a misdemeanor.

MR. PONS IS POSITIVE.

F. J. Pons wired Daily Racing Form from Latonia yesterday as follows: "Have had numerous inquiries recently regarding the opening date of Charleston racing. Please publish that the meeting will positively take place on Saturday January 25, and that we will race sixty-one days."

Winner—B. c, by Olympian—Kitty B. II. (trained by M. Bernard).

Went to post at 2:37. At post 2 minutes. Start good and slow. Won driving; second and third the same. LATENT, after being a forward contender from the start, shook off THESIERES on the stretch turn and took a clear lead, but tired and just lasted long enough to outstay GARDEN OF ALLAH. The latter was away well, but was shuffled back on the backstretch, then closed a big gap with a rush and almost got up to win. EARLY LIGHT ran the best race of all, being crowded out at the start, and, after closing a great gap, was catching the leaders with every stride at the finish. THESIERES ran forwardly and gamely throughout, BIG DIPPER quit after setting a fast pace to the homestretch. SCHALLER and CORDIE P, had scant chances from the start and made up much ground. 6125)ROSEITAIRE 62083CHUCKLES 6125 FRED LEVY 6274 AURIFIC 6274*CHILTON DANCE

BOUNDER came from far back in the last quarter

and finished with a great burst of speed after going around on the outside on the stretch turn. THE MAN-AGER met with interference several times, but finished fast and resolutely and ran a grand race under his leavy impost. HILARIOUS was a game and prominent contender throughout, but tired in the final drive. WORTH ran a good mile and droppel hack. FROGLEGS was off slowly and impeded and finished fast.
